## CARRANZA STATES WAR WILL CEASE

INFORMS WASHINGTON THAT  
PEACE WILL EXIST PENDING  
THE CONFERENCE.

### DEMANDS A SURRENDER

Carbajal Must Give Over Uncondition-  
ally and All But the Medero Con-  
spirators Are to Be Spared.

Washington.—General Carranza in-  
formed the United States Government  
he was ready to declare suspension  
of hostilities against the Government  
of Provisional President Carbajal,  
pending negotiations with his repre-  
sentative for the transfer of authority  
at Mexico City to the Constitutional-  
ists.

The Constitutionalist chief expressed  
his views to John R. Silliman, per-  
sonal representative of President Wil-  
son and Consul Hanna and Vice Con-  
sul Robertson who interviewed him at  
Monterey. He said he would receive  
the commission of three appointed  
by Carbajal to discuss peace.

Secretary Bryan announced the re-  
ceipt of the message from the Amer-  
ican representative with the comment  
that the prospects for an agreement  
between the two factions now were  
very favorable.

General Carranza is insistent, how-  
ever, that the surrender of the Car-  
bajal Government shall be uncondi-  
tional. It is his intention to give  
guarantees of safety to the people  
generally, but to prosecute leaders in  
the plot through which Madero was  
overthrown.

No official information has reached  
Secretary Bryan as to whether the  
Carbajal commission has left Mexico  
City.

Incidentally Secretary Bryan said  
that the protocol signed at Niagara  
falls agreeing to recognize a Govern-  
ment set up by agreement of the two  
Mexican factions would become effec-  
tive if a satisfactory agreement  
were reached in the proposed confer-  
ences.

Speaking of reports that Villa had  
offered an affront to Carranza by pro-  
moting Major Fierro and others in  
disfavor with the first chief, Sec-  
retary Bryan said he had received noth-  
ing definite enough to make public.

He intimated that while reports of  
a break between Carranza and Villa  
had reached him he was seeking  
through consular sources to obtain  
authentic information.

### WILL GO TO DISTRICT COURT.

Conference With New Haven Direc-  
tors Was Not a Success.

Washington.—Civil suit to separate  
the New York, New Haven & Hart-  
ford Railroad Company, from its sub-  
sidiary rail, trolley and steamship  
lines will be brought by Attorney  
General McReynolds in the United  
States District Court at New York  
within the next few days.

A final effort to settle the problem  
without litigation ended in failure al-  
though the Attorney General T. W.  
Gregory, special assistant in charge  
of the case, and a committee of New  
Haven directors were in conference  
many hours.

The committee came to discuss the  
sale of the Boston & Maine stock  
owned by the New Haven. It desired  
this sale to be made free of condi-  
tions imposed by the state of Massa-  
chusetts and is said to have declared  
that an unconditional sale of the Bos-  
ton & Maine stock would insure a  
price \$10,000,000 above what the New  
Haven might otherwise hope to get.

### Failed to Get a Quorum.

Washington.—Difficulty in main-  
taining a quorum in the Senate was  
described by Administration leaders  
as one of the reasons for delay in  
consideration of the nomination of  
Thomas D. Jones of Chicago, as a  
member of the Federal Reserve  
Board. "We can't muster a quorum  
for a vote," said Senator Lewis of  
Illinois, who is leading the fight for  
Mr. Jones' confirmation. "I hope we  
can reach a vote before the end of  
the week."

### Would Dynamite Court.

London.—"The next bomb I explode  
will be in the police courts and I  
hope it will be this one." This was  
parting shot from Annie Bell, milit-  
ant suffragette, to the magistrate at  
Westminster as he committed her for  
trial on a double charge of attempt-  
ing to destroy on May 10 the Metro-  
politan Tabernacle in South London  
and on July 12 the old Church of St.  
John Evangelist. Miss Bell entered  
the sitting of the court by singing  
the "Marseillaise" and shouting and  
struggling with attendants.

GEORGE B. A. HALLETT

George B. A. Hallett is the man  
whom Lieutenant Porte has selected  
as his assistant on the projected flight  
across the Atlantic in the Wamaker-  
Curtiss hydroaeroplane America.

## BLOODSHED ENDED CARRANZA STATES

REBEL CHIEF SAYS HE WANTS  
TO ENTER CAPITAL CITY  
IN ORDER.

### CRITICISES NEW LEADER

Says Provisional President Carbajal  
Is Too Weak to Preserve Order  
Without More Assistance.

Monterey.—Fighting and bloodshed  
is over in Mexico, if the plans an-  
nounced here by General Venustiano  
Carranza, first chief of the Constitu-  
tionalists army go into effect. General  
Carranza declared his main object  
now would be to conduct negotiations  
for the Constitutionalists to enter  
Mexico City and establish their govern-  
ment without further disorder, shed-  
ding of blood or damage to property.

How these negotiations would be  
arranged Carranza declared he had  
not yet determined. He was unable  
to say at this time, whether they  
would be conducted through the Ar-  
gentine, Brazil and Chile mediators  
or direct with the Federals.

Unconditional surrender, however,  
will be the only condition on which  
these negotiations will be successful.  
Carranza made that plain to news-  
papers who talked with him. He  
declared that the "reforms for which  
Constitutionalists fought must be ob-  
tained at whatever cost."

"The resignation of General Huerta  
and the substitution of Carbajal  
in itself will not cause the Constitu-  
tionalists of compromise, on a single  
point, the principles upon which the  
movement was founded," declared  
Carranza.

"If the government machinery  
through which those ends may be ob-  
tained is not surrendered voluntarily  
by the party of Huerta, they would  
be obtained by force."

Because of the effort to make the  
installation of the Constitutionalist  
government a peaceful one, Carranza  
said it would probably be a month  
before he entered Mexico City. He  
stated that he did not believe that  
Carbajal was strong enough to han-  
dle effectually the reins of power pass-  
ed over to him by Huerta, if the latter  
had left the republic for the Island  
of Cuernavaca, as was reported here  
from the United States.

Carranza said he thought Carbajal  
or any man in the civil life would  
find the situation most difficult and  
he expected that the new president  
would open negotiations with him at  
once. Telegraph service with Mexico  
City would be resumed at once, he  
announced.

### Atlanta Gets University.

Atlanta, Ga.—Atlanta was selected  
as the seat of the University to be  
established east of the Mississippi  
River by the Methodist Episcopal  
Church, South, at a meeting here re-  
cently of the Education Commission  
appointed by the General Conference  
of the Church to choose a location for  
the proposed institution. Birming-  
ham, Ala., and Hendersonville, N. C.,  
were second contenders for the Uni-  
versity. The vote selecting Atlanta  
was announced as 12 to 2. Hender-  
sonville, N. C., and Birmingham, Ala.,

## CONGRESS RESIGNS HOPE OF VACATION

ADMITTED NOW THAT ADMINIS-  
TRATION WORK WILL STOP  
ADJOURNMENT UNTIL FALL.

### BUGABOO OF THE SENATE

The Anti-Trust Program is First on  
Docket and Then Comes the Bank-  
ers' Confirmation.

Washington.—Members of Congress  
who are standing valiantly by the Ad-  
ministration in the effort to complete  
its legislative program despite the  
approaching campaign, while admit-  
ting they are weary of legislative du-  
ties and anxious to get home to their  
districts, have resigned themselves to  
the conclusion that there is little hope  
for adjournment before fall.

Both houses of congress already are  
having trouble in rallying a quorum  
for the transaction of business, but  
the party whips are keeping constant-  
ly at work bringing members who  
have left town back to Washington  
and they hope to expedite what busi-  
ness remains as rapidly as possible.  
Some Senators and Representatives  
are permitted to go home from time  
to time to look after their political  
fences, but it is the aim of the Dem-  
ocratic leaders to keep a quorum pres-  
ent at all times from now on.

Again the chief business of the  
senate will be to press the anti-trust  
bills, with a hope of getting a real  
start in the general debate on the In-  
terstate Trade Commission bill and to  
complete the revision of the Clayton  
bill and the Rayburn Securities mea-  
sure in committee so that they may be  
submitted to the senate. The Clayton  
bill ready and Senator Newlands,  
chairman of the Interstate Commerce  
Committee, hopes to have the securi-  
ties bill perfected soon.

At least six weeks of discussion on  
these trust measures is contemplated  
in the Senate.

There still remains the probability  
that the three bills will be consolida-  
ted into one. If that is done the leg-  
islative task may not be prolonged.

One thing that promises to delay  
the trust program is the difficulties  
which have arisen over the nomi-  
nations of Thomas D. Jones of Chicago  
and Paul M. Warburg of New York  
as members of the Federal Reserve  
Board. The senate seems still to be  
deadlocked over the confirmation of  
Mr. Jones, administration champions  
of the Chicago man are still holding  
back a vote in an effort to win over  
some of their colleagues who oppose  
his confirmation. The report of the  
minority of the Banking and Currency  
Committee who favor his confirma-  
tion, has not yet been submitted and it  
may be several days before it is  
ready.

### SERIOUS BALLOON ACCIDENT.

Frenchman, Thrice Winner of Grand  
Prix, Injured.

Paris.—The balloon Toto, a con-  
testant in the Grand Prix race, crashed  
into the trees of the Tuileries Gar-  
den injuring the pilot, Georges Blan-  
chet, and his aide, Duval, and causing  
a panic among thousands of spec-  
tators. Several were slightly injured  
in the rush many women fainted and  
others were overcome by escaping gas.

The cordage surrounding the en-  
velope began to give way when the  
Toto had ascended 150 feet. Blan-  
chet and his aide were bowing their  
adieux and paid no attention to warn-  
ing shouts by spectators.

The basket, with the two men  
clinging to it, dropped into a cluster  
of trees and struck an iron picket  
fence. Blanchet's injuries were minor  
but Duval was injured internally.  
Blanchet was the winner of the Grand  
Prix on three previous occasions.

### Thrashed Editor Five Minutes.

Stuttgart, Germany.—Two social  
Democratic women invaded the office  
of The Schwabische Zeitung and for  
five minutes thrashed the editor be-  
cause he had maligned women in an  
article in his newspaper.

### All May Pass Through.

Vera Cruz.—Lieutenant Colonel  
Izunza, commanding the Federals at  
the gab in the railway, announced  
that a proclamation had been issued  
at Mexico City granting all persons  
belonging to the so-called revolution-  
ary forces permission to pass through  
the Federal lines. The only condition  
imposed is that they shall not carry  
arms. Colonel Izunza said the new  
administration does not recognize the  
existence of a revolution and consid-  
ers all Mexicans on a general footing  
as citizens.

MRS. THOMAS G. PATTON

One of the most attractive and pop-  
ular women in the congressional set  
at Washington is Mrs. Thomas Godney  
Patton, wife of one of the representa-  
tives from New York city. She is  
spending the summer at Monmouth  
Beach, N. J.

## HUERTA RESIGNS PRES. OF REPUBLIC

CENTRAL FIGURE IN MAELSTROM  
OF MEXICAN POLITICS IS  
ELIMINATED.

### CARBALAJ TAKES OFFICE

American Troops Will Remain at Vera  
Cruz Until Carranza Offers Gen-  
eral Amnesty to Nation.

Mexico City.—General Victoriano  
Huerta resigned from the provisional  
presidency of the Mexican Republic  
and his resignation was accepted by  
the senate and chamber of deputies  
by a vote of 121 to 17.

Francisco Carbajal then was ap-  
pointed president and took the oath  
of office at the joint session of the  
deputies and senators.

Huerta's resignation was submitted  
through the department of foreign  
relations. It was read in the house  
and was greeted with cries of "Viva  
Huerta." It then was referred to the  
joint committees of Gobernacion. Af-  
ter brief consideration the commit-  
tees reported accepting the resigna-  
tion in the following terms:

"Article 1.—We accept the resigna-  
tion presented by General Victoriano  
Huerta as president of the Mexican  
United States.

"Article 2.—We call Licentiate Fran-  
cisco Carbajal, minister of foreign re-  
lations to assume the presidency."

A ballot was taken and the joint  
session approved the report.

President Carbajal proceeded to the  
national palace under an escort of  
presidential guards, and all along the  
way was greeted with tumultuous  
cheering.

The galleries of the chamber of  
deputies were packed before the be-  
ginning of the session.

Intense excitement characterized  
the gathering and at the close of the  
reading of Huerta's resignation the  
deputies and spectators broke into  
loud and continued applause.

After the acceptance of Huerta's  
resignation, a commission was ap-  
pointed by the president of the cham-  
ber to escort Senor Carbajal to the  
floor of the house. Senor Carbajal  
soon appeared in front of the cham-  
ber, passing through files of soldiers.  
He entered and as he walked to the  
platform the deputies stood. Speaker  
Manuel Mercade then administered  
the oath.

### More New York Divorces.

New York.—In one borough of  
Greater New York—Manhattan—540  
absolute divorces were granted dur-  
ing the six months ended June 30, as  
against 373 during the same period  
last year. These figures were made  
public by the county clerk.

### Enormous Wheat Sale.

Chicago.—Twenty railroads from  
the South and Middle West poured a  
continuous stream of grain into  
Chicago, setting a new record for a  
single day's wheat receipts here. A  
total of 1,153 cars representing 1,250,-  
000 bushels were received. Approx-  
imately \$1,000,000 will be paid the  
farmers for the day's shipment. The  
enormous receipts exerted no in-  
fluence on the market, however, a  
decided increase in price being re-  
corded instead of the decline which  
might have been expected to follow

## MEXICAN HARMONY WITHIN TWO WEEKS

WASHINGTON TREATS WITH ZEPATA  
TO LEAD HIM FROM RE-  
BELLION.

### WANT CARABAJAL TO RESIGN

And New President is Willing to Give  
Government Into Hands of Gen-  
eral Carranza Conditionally.

Washington.—Every influence and  
diplomatic agency at the disposal of  
the government is working for imme-  
diate peace in Mexico.

The administration is convinced  
that, with the elimination of Huerta,  
the factions in Mexico will be drawn  
together quickly. To assure restora-  
tion of normal conditions without fur-  
ther bloodshed, officials here are  
exerting themselves to smooth the  
way for a new and stable adminis-  
tration which shall be recognized by the  
powers.

Not only is the American govern-  
ment at this moment counseling Gen-  
eral Carranza to arrange with Fran-  
cisco Carbajal, Huerta's successor, for  
the peaceful transfer of the govern-  
ment at Mexico City to the Constitu-  
tionalists, but it became known the  
administration is indirectly in com-  
munication with Zapata, leader of  
the revolution in Southern Mexico.

Zapata has 24,000 men, and though  
most of them are poorly equipped  
they would constitute a serious men-  
ace to a new government if they re-  
mained in revolution. Zapata who  
demands agrarian reforms, made com-  
mon cause with the Constitutional-  
ists and obtained supplies from them  
with which to fight the Huerta gov-  
ernment. It is not known yet, how-  
ever, whether he will lay down his  
arms in favor of Carranza.

The United States is using its in-  
fluence through friends of Zapata to  
bring him into harmony with the  
peace program and an emissary from  
General Carranza is now on his way  
to confer with him.

These activities on the part of the  
American government result from a  
desire that when the Constitutional-  
ists are installed in Mexico City and  
comply with the conditions prerequi-  
site to formal recognition, there shall  
be an end to revolution in Mexico  
with its ever-threatening internation-  
al aspects.

Carranza has been informed that  
he must conduct his triumph tem-  
perately; that an amnesty for polit-  
ical offenders be declared and the  
rights of the clergy and other foreign-  
ers who have suffered, especially  
Spaniards, be given due respect.

### STRIKERS DEFEAT GUARDS.

Pitched Battle Near Fort Smith, Ark.,  
Between Hundreds of Men.

Fort Smith, Ark.—After a pitched  
battle between several hundred strik-  
ing coal miners and their sympathiz-  
ers and 100 guards stationed at the  
Prairie Creek mines of the Mammoth  
Vein Coal Company near Fort Smith  
which ended in the rout of the  
guards, tipples of three mines were  
destroyed by fire and dynamite. The  
property damage is estimated at \$200,-  
000. So far as can be ascertained no  
one was killed or seriously wounded  
in the fighting, which began shortly  
after day break and continued until  
late in the day, when the mine guards  
retreated after their ammunition was  
exhausted.

Rioters held possession of the mines  
for several hours, wrecking the plants  
with torch and explosives.

County officials went to the scene  
late in the day, but before they ar-  
rived the attacking party had dis-  
persed.

The rioting was a culmination of  
a series of disturbances which have  
occurred at intervals since the con-  
tract with the United Mine Workers  
was abrogated last March and an-  
nouncement made that the properties  
owned by the Bache-Denman Coal  
Company, but leased by the Mammoth  
Vein Company would be operated on  
an "open shop" basis.

### Constitutionalists Will Not Last.

Havana.—The former Mexican min-  
ister of commerce, Querido Moheno,  
prior to his departure here for New  
York, via Key West, said Huerta's  
resignation was no surprise to him  
and expressed the belief that a con-  
stitutional government would be  
short lived. "Within ninety days,"  
he added, "the people who are now  
shouting approval will cry leath to the  
revolution. In six months Huerta will  
be the most popular man in Mexico,  
because the Latin race always pities  
the fallen and opposes the powerful."

## STATE BANKS ARE VERY PROSPEROUS

REPORT SHOWS INCREASE IN  
RESOURCES AND DEPOSITS  
OF THE BANKS.

### AGGREGATE OF \$89,236,595

The 420 Banks Under North Carolina  
Corporation Commission Show In-  
crease in Year of \$7,084,365.

Raleigh.—North Carolina's 420 state  
banks, which are under the direct su-  
pervision of the North Carolina Cor-  
poration Commission, show in the  
summary of their condition at the  
close of business June 4, just issued  
by the commission, an aggregate of  
\$89,236,595 resources, an increase in  
resources for the past year of \$7,084,-  
365. The aggregate capital stock is  
\$11,276,418, a gain of \$449,450 for the  
year. The surplus fund is \$3,625,273,  
a gain of \$647,000 for the year. The  
total deposits at this time is \$62,448,-  
272, a gain of \$3,713,451 for the year.  
The saving deposits aggregate \$13,-  
993,717, a gain of \$1,376,611 for the  
year.

### AGREE ON ANTI-TRUST BILL.

Senator Overman Gives Assurance  
That N. C. Towns Will Not Be  
Disturbed.

Washington.—The senate judiciary  
committee has agreed upon an anti-  
trust bill. The Clayton bill has been  
practically rewritten. North Car-  
olina manufacturers and others who  
employ labor will be interested to  
know that the labor unions and farm-  
ers' organizations have been "legal-  
ized," but the provision which seemed  
to permit the "secondary boycott"  
and the picketing of private premises  
by strikers have been stricken from  
the measure.

Senator Overman has received  
many letters protesting that prohib-  
iting interlocking directorates would  
cripple towns like Charlotte, Gastonia,  
Concord, Salisbury and the like. Sen-  
ator Overman does not think this will  
interfere in any way with any legiti-  
mate business in North Carolina. "I  
want to assure the men who engage  
in manufacturing, banking or other  
legitimate enterprises that the inha-  
bitation against interlocking directorates  
will not disturb them at all," said Mr.  
Overman.

### Two Needed Charters Granted.

Raleigh.—The Builders Exchange  
of Charlotte, Ind., is chartered with  
E. L. Jones, R. N. Hunter, L. G.  
Crouse, H. F. Hanna and E. H. Clem-  
ent incorporators. The corporation,  
without capital stock, is for the pur-  
pose of advancing and promoting the  
interests of Charlotte, encourage and  
protect the building and manufactur-  
ing interests of the city and suburbs  
and facilitate dealings among mem-  
bers of the trade. There is also a  
charter for the Asheville Heal-Seekers  
Association, chartered without capital  
stock for providing friendly attention  
for worthy tuberculosis patients,  
funds for their needs and a sanato-  
rium for the care of patients with  
small means and the indigent. The  
incorporators are D. A. Pressley, W.  
P. Harvey and J. H. Williams.

### Shelby Adding to Water Supply.

Shelby.—Patronage of the local wa-  
ter plant, municipally owned, has out-  
grown its present capacity and an ad-  
ditional filter plant is being installed  
at a cost of \$1,500. At times the wa-  
ter supply has run low and the sprink-  
ling of streets was abandoned for sev-  
eral weeks, but in less than 10 days  
the new filter will have been installed  
and the supply will be ample to meet  
the requirements of the city for years  
to come.

### Congressman Will Endorse Clark.

Washington.—Representative Pou  
has called a meeting of the North Car-  
olina delegation to endorse Judge Wal-  
ter Clark for the supreme court of the  
United States. All of the Tar Heels  
will go, some cheerfully, but others  
reluctantly.

### Gen. Wood Visits Camp.

Asheville.—It was an eventful one  
at Camp Grove, the military instruc-  
tion camp of the War Department at  
the foot of Sunset Mountain, General  
Leonard Wood, chief-of-staff of the  
United States Army, his aide, Captain  
Frank McCoy, and Major Russell, of  
the Signal Corps, arriving at the en-  
campment. General Wood is making  
an inspection of the camp and the  
rifle range and will return to Wash-  
ington at once. Major Russell is  
here to deliver lectures on "The Use  
of the Signal Corps in Time of War."
